Administrative Law JudgeSUPPLEMENT TO PETITION TO ENLARGE

Gary E. Willson supplements his Petition to Enlarge, filed April 21, 1993 with the attached original declaration of Mel Freedman. Please note that the reference to California State University Sonoma has been changed to Sonoma State University. Although the public information office had advised that Sonoma State University became California State University Sonoma in 1961, the Public Affairs Office of the California State University System advised that Sonoma State is one of the two schools in the state which never changed names. Any reference to California State University Sonoma in Mr. Willson's petition should more accurately reference Sonoma State University.

Respectfully submitted,

GARY E. WILLSON
